

# Directions to Reading Girls School

## Northumberland Avenue, Reading RG2 7PY

### From M4 Junction 11

Head north towards Reading on the A33 dual carriageway. You will pass B&Q and Madejski Stadium on your left hand side.

At the traffic lights / roundabout after B&Q, continue on the A33 towards Reading.

After about a mile, you will come to another set of traffic lights (this is shown as a roundabout on the map below). Get in the right hand lane and turn right.

Go straight on at the first roundabout (past PC World)

Go straight on at the second roundabout (Morrisons) – *unless you need to stop for toilets.*

Turn left at the traffic lights onto Basingstoke Road.

Take the first turning on the right into Long Barn Lane.

At the end of Long Barn Lane, take the first turning off the roundabout into Northumberland Avenue.

After about 200 yards, there is a large pair of metal gates on the right hand side. Turn in here to get on to the school field. If you pass the main entrance to Reading Girls School, you have gone too far. There is no access onto the field from the school buildings.

**Please note that there are no toilets available on site, but you can stop at Morrison's supermarket if necessary.**
