

Manager's Report

The Under 9's have grown in numbers. This means they will be able to compete in two league's next season, SCML Saturday & East Berks Sunday. The squads have enough ability to do well in both leagues. Congratulations to both Vixens squads (Pictured Left) for reaching the finals in the same competition within the same age group. With one squad (top left) winning the plate and the other squad (Bottom Left) coming runners up. I would also like welcome Alice Cox to the Vixens, who looks to be a great addition to the squad.

Player of the Month

KIRSTY

The training ground is where players have the chance to prove themselves to the coaches and manager whilst having some fun at the same time. We are now training at South Reading Girls School. Training session will be 6pm to 7pm unless the weather is bad and the session will end early. Please could you make sure that all players wear shin pads at all times.
